

Year 3 Spanish Home Learning

Week 8 - Picasso

We have practised parts of a face in Spanish. Here is a picture by a famous Spanish artist - Picasso:

1. Can you find more examples of his work on the internet?
2. Create a fact file about Picasso. Include some of the following information and anything else you can find:

What was his full name?

Where was he born and when?

When did he die?

What did he do?

3. Draw your own face picture in the style of Picasso. You will find some examples in the file attached (Picasso faces) as well as instructions for how to draw an abstract face.
4. Describe the face using the language you practiced last week.
5. If you would like to do some more artwork I have attached a project to create a 3D abstract face. I would love to see photos of your finished work. Enjoy!
