

## **Year 5 Spanish Home Learning**

### **Week 7 – La Comida**

You are going to research food from different Spanish speaking countries.

First, do you know the names of any of the regions in Spain? Look at the next slide and study the map of Spain.

Do you know which region Barcelona is in? Search on the internet to find out.

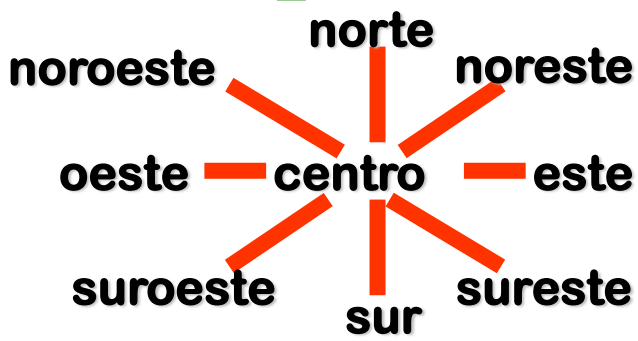

What is the capital of Spain? Which region is it in?

Which other countries in the world speak Spanish? Look at slide 3 (Central and South America) to find out.

Now choose one Spanish speaking country and research the food they eat there. What are some traditional dishes? What are the ingredients? Create a fact sheet with information you have found out.

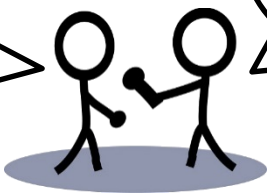

# ¿Dónde está...? (Where is...?)

Ask and answer questions about where the different regions are in Spain.

Está en el sur. ¿Dónde está ...

¿Dónde está Andalucía?

# ¿Dónde se habla el español? (Where is Spanish spoken?)

**América central**

**América del Sur  
(Sudamérica)**
