

Wibsey Primary School
North Road, Bradford, BD6 1RL
Headteacher: Mr N M Cooper

Wednesday 10th June 2020

Dear Parent/Carer

Update to all families from Mr Cooper – 10th June

Good afternoon all

I hope everyone is doing well and coping to the best of their abilities. Just a reminder that as a community we continue to offer help and support with wider issues other than schooling during this unique period. Message us via the App and we will do our best to signpost to the most appropriate agencies.

Continuing the open and frank sharing of information with you, I write to update you on where we are at with the re-opening of Wibsey Primary. We are currently open to any **Year 5** pupils whose parents/carers wish to book a place. From Monday 15th, if all continues to go well, we will be open to any **Year 1** pupils through the App booking system. We are hoping to continue the roll out to an additional year group from the week commencing the 22nd June – we will continue to monitor booked places to see if we can expand further.

Childcare will continue on a bookable basis to the groups already registered.

The Government are still pushing for YR, Y1 and Y6 to be the target year groups for opening. This does not fit with the safety rationale shared with you and we will continue to base decisions on what is best for pupil, staff and community safety – alongside what makes most educational sense. We will, whatever happens, be looking at how we can accommodate and mark the end of Y6. More details will be sent to Y6 families.

Once again I thank you for all your support and encouragement. It means a great deal to school staff as everyone works hard trying to do the right thing.

Thank you for your continued support. Keep your chin up.

Nigel Cooper

Headteacher – Team Wibsey
