Hello children

Children's letter from Mr Cooper (plus George and Mildred)

Well George and Mildred are glad that some of us are back at school because it means they have been able to pull their spare bed out and get some extra sleeping time without being disturbed.

We are talking to your parents/carers on a regular basis so that they can make decisions about you coming back or not when your Year Group opens. No one will get into trouble if you are not back – it's a choice for the grown-ups to make. Everyone in school still misses you and that is why we will still be sending home learning work and keeping in touch.

Are you in a good routine at home? Mildred is really good at getting up early and getting her work finished early. George sleeps late and finishes everything at the last minute! Who are you most like? Whichever you are, and in school or out, keep the good work routines going and don't stay in your PJ's all day!

Year 6 – we are starting to plan things for you thinking about the end of term – watch this space. Year 1 opens next week.

Stay safe, be kind and look after each other
