Dear Parent/Carer

Update to all families from Mr Cooper – 19th June

A quick update today – it's been a quiet week for real Government announcements – although there may be some later today that I will translate into Wibsey speak and share with you next week.

Other than some funding for catch up next year, we have nothing more from the news today. I look forward to receiving the guidance on how this is to be spent (roughly £80 per pupil will be allocated – and one hour of tuition from a private company costs £50!) so watch this space.

Parents/carers of children in Y1, Y2 and Y5 **who aren't currently in** – please ensure you have booked your spaces for your children via the App as we will not be taking any further bookings for these year groups from **next Wednesday**. The slots not taken are going to be offered to another Year Group until the end of term. The children who are in are all safe, well and enjoying their time. If you are considering taking up your place, we can say that things are going well so far. Message school if you are considering this and have any questions. We don't have all the answers but we can share what we have seen. **Book now or the places are gone.**

Childcare is now full and we will not be taking further bookings. If you already have a space, you may find we have to check that this is being used by you as a last resort. It is just to ensure fairness for everyone – so please don't be offended.

Please find George and Mildred's letter below to share with your children. Have a good weekend and stay safe

Hello all of the children at WPS

It's Mildred here today taking charge as we have a problem at home. George has decided that as dad has been in school all week he would make himself a new bed on the best sofa cushions! Never mind that we have 2 doggy beds to choose from! I took a picture to show our dad – look at George's face – what do you think he is thinking? Tell your parents/carers and ask them what they think too.

How are you all? I heard some more of you were back in school this week. I hope you are enjoying your time and getting used to the new routines. I think there should be a new routine for George – like sleeping in the garden.

See you later

Mildred

Erm – it's George here. Just seen this letter. Mildred is such a tell-tale. Here is a picture of her chewing a T-Towel when no one was looking!! Yeah – not so innocent now are we missy.
