

## Fun things to do when you're not at Nursery (w/c: 29.06.20)

### Important things to do each day

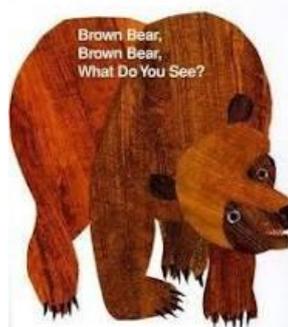

- Get yourself dressed. Only ask an adult for help if you really get stuck and can't put something on by yourself. Can you get quicker each day?
- Brush your teeth twice a day; after your breakfast and before you go to bed.
- Count the number of steps in your house; when you come downstairs for breakfast each morning and when you go back upstairs to bed at night.
- Read a bedtime story with an adult or older brother/sister.
- Practise drawing lines and circles, or writing your name (You could use pens, pencils, chalk or water & a paintbrush on the doorstep).
- Practise singing the nursery rhymes on your Rhyme Challenge sheets.

Choose 2 more things to do each day from the list below.

- Listen to Tom Hardy reading **There's a Tiger in the Garden** by **Lizzy Stewart** on YouTube: <https://youtu.be/csd113lpghY>
- Go into your garden or the park and look for different creatures, just like the little girl in the story.
- Draw pictures of all the creatures that you see.

Bill Martin Jr / Eric Carle

- Listen to and join in with the singing story 'Brown Bear, Brown Bear, What Do You See?' Sung by David Glenn on YouTube: [https://youtu.be/9-NIZH\\_HcOw](https://youtu.be/9-NIZH_HcOw)  
Do you recognise the story? We've read it in Nursery, but never sang the song. See if you can join in with the words.

## Fun things to do when you're not at Nursery (w/c: 29.06.20)

- Read **National Geographic Little Kids Look and Learn: Count!** on [www.getepic.com](http://www.getepic.com)  
There are animals for you to count and some interesting facts about them.
- Complete the animal counting activity on the school website. Be careful to only colour the correct number of animals.
- Have a look on the internet with an adult for some more interesting facts about animals (*eg: Which is the largest animal? What are baby bears called? Which animals lay eggs?*)

Choose one of the Reception lessons to join in with each day. There's English, Maths and other subjects to try. They cover lots of the areas that we'd be teaching in Nursery.
