I can count on and back in 1000s

Fluency - fill in the gaps in the following sequences

1000	2000	3000				
------	------	------	--	--	--	--

				8000	9000	10,000
--	--	--	--	------	------	--------

463	1463		3463		5463	
-----	------	--	------	--	------	--

4892				8892	9892	
------	--	--	--	------	------	--

2002						8002
------	--	--	--	--	--	------

Reasoning

'To count on or back in thousands, we use 4-digit numbers each time.'

Is this statement always, sometimes or never true? Use some of the answers from Fluency to help you explain.

Problem-solving

Jamal started counting up in 1000s from 5231. Will he say the following numbers?

a. 8231	b. 7231	c. 10231
d. 5231	e. 9213	f. 9231
g. 11231	h. 6231	i. 4231

For each number that you think he does not say, explain why these might be easy mistakes to make.

Task: Read the poem and answer the questions.

The Magic Box

I will put in the box
the swish of a silk sari on a summer night,
fire from the nostrils of a Chinese dragon,
the tip of a tongue touching a tooth.

I will put in the box

a snowman with a rumbling belly
a sip of the bluest water from Lake Lucerne,
a leaping spark from an electric fish.

I will put into the box

three violet wishes spoken in Gujarati,
the last joke of an ancient uncle,
and the first smile of a baby.

I will put into the box

a fifth season and a black sun,
a cowboy on a broomstick
and a witch on a white horse.

*My box is fashioned from ice and gold and steel,
with stars on the lid and secrets in the corners.
Its hinges are the toe joints of dinosaurs.*

*I shall surf in my box
on the great high-rolling breakers of the wild Atlantic,
then wash ashore on a yellow beach
the colour of the sun.*

by Kit Wright

1. What is the box made from?
2. How many Gujarati wishes are placed in the box?
3. What has been used to decorate the lid of the box?
4. What colour is the beach?
5. Number the items in the order that they are placed in the box. The first one has been done for you.

<i>a black sun</i>	
<i>the nostrils of a Chinese dragon</i>	<i>1</i>
<i>a snowman with a rumbling belly</i>	
<i>a spark from an electric fish</i>	
<i>a silk sari</i>

I can create an anti-racism poster

Over the last couple of weeks, there have been lots of protests against racism in the United States, and elsewhere in the world.

They started following the death of an African-American man called George Floyd after he was stopped by the police in the US.

Racism has been - and continues to be - a big problem in the United States and here in the United Kingdom, too.

Racism is when words or actions are used to discriminate or disadvantage people because of their colour, culture or ethnic origin.

Task:

Create an Anti-Racism poster using your prior knowledge and anything you are able to research about it for yourself.
