Monday 20th July 2020

Dear Parent/Carer

Have a Happy Summer

Good afternoon everyone.

Just a couple of things as we close. Currently the reopening arrangements remain in place as previously sent to you. One of the things we have done as a school is to have a go at using the one-way system with about 80 staff. It may take longer than the 20-minute slot to get everyone round – but senior staff will be out to help.

What was apparent this morning was that you are going to need to queue right the way up and down Northfield Road, and potentially on the field-side of the road as well.

Please remember that school cannot just put out barriers on the street or we cannot just close the road. We have no jurisdiction out there and we need you to set the examples and be sensible and patient. It is honestly giving me sleepless nights – so I am relying on you.

Remember that it's only one adult per family dropping off; all children should be accompanied. I know some Y6 children walk on their own. Please send an App message if you are allowing your child to do this – although I would not recommend it for the first few days. These children will need to identify themselves to a senior leader.

Best regards for the summer and stay safe

Nigel M. Cooper
