

Check, check and check again your year group start days in September. This info is on the September reopening letter on the website.

Well here we are children, a weird end to the school year. You will be in new classes in September and all your parents/ carers and teachers are going to look after you and show you where everything is. Please don't worry—we've checked everything out for you. Watch the videos on the website and we will see you sometime in the Autumn Term. Stay safe—we have loved writing to you.

George & Mildred.

Have a safe summer everyone

End of the School Year

As we mark the end of the strangest and most challenging of academic years I thought it would be a good idea if we prepared for September by returning to some normality. Part of this for me is the weekly newsletter—so here we are, back up and running.

We have put in place, and shared with you our plans for September opening - they are the best we can do for now. Your job now is how you make it work on the streets around school when dropping off and collecting. Make no mistake, it is going to require patience and be hard. You will have to park further away

and queue right the way up and down the pavements. Look after each other and keep your social distances. The children look to us to know how to behave.

LUNCH

When we return in September we will continue to offer our grab bag lunches. These are provided for anyone on FSM or purchasable by any other family via parent pay. Children can choose daily from Ham, Cheese, Tuna, Egg sandwiches with home-made confectionery, fruit and a drink. Pizza day is back where hot pizza and wedges will be served one day a

week to alternate classes as an additional choice as follows:

Y1 & 2 Monday

Y3 Tuesday

Y4 Wednesday

Y5 Thursday

Y6 Friday

Further menu choices will be added as we move through the term. Year 1 will eat in the dining Hall until Reception Classes start. All other Year groups will have food delivered to classes for eating before they have their outdoor play. This play will be staggered on a time table so that Year groups remain bubbled.

Team Wibsey—most successful when we stick together

PE from September

Children will come in PE kit on PE days so we have no changing. Days are on the Year Group class letters which will be going on the website. Please note it will be mostly outdoors and therefore dark joggers

can be worn on those days.

School Closes today to pupils. We say a huge **HAPPY RETIREMENT** to our lovely Mrs Brassington, and wish all other staff finishing our love and best wishes.

Year 6

The Y6 leavers video is on the website from today. It says all we can to our wonderful children. Viewing is essential. Good luck to all.
