

## Fun things to do when you're not at Nursery (w/c: 06.07.20)

### Important things to do each day

- Get yourself dressed. Only ask an adult for help if you really get stuck and can't put something on by yourself. Can you get quicker each day?
- Brush your teeth twice a day; after your breakfast and before you go to bed.
- Count the number of steps in your house; when you come downstairs for breakfast each morning and when you go back upstairs to bed at night.
- Read a bedtime story with an adult or older brother/sister.
- Practise drawing lines and circles, or writing your name (You could use pens, pencils, chalk or water & a paintbrush on the doorstep).
- Practise singing the nursery rhymes on your Rhyme Challenge sheets.

Choose 2 more things to do each day from the list below.

- Listen to **Oi Frog!** by Kes Gray & Jim Field (**Books Alive!**) on YouTube: <https://youtu.be/2da5yu6rpdg>
- Can you name all the different animals? Ask an adult or older brother or sister to help if you're not sure about some of the more unusual ones.
- How many different types of animals are in the story? Can you count them?
- **Rhyming words:** In the story, the cat tells the frog that each animal must sit on something that rhymes with its name. *Words rhyme when their last sound is the same, like c-at and m-at.*
- Look in your toy box as see if you can find 3 animals, then find something that rhymes for them to sit on, eg: c-at on a m-at, f-ox on a b-ox, b-ear on a ch-air. Ask an adult to muddle them up, then see if you can put each one back on the correct object.
- Play the **'Rhyming Odd One Out'** game on the school website.
- Print out the **'Frog Leap Pencil Control'** sheet and use coloured pens or pencils to follow the lines. If you haven't got a printer, ask an adult to draw some lines on a piece of paper for you to follow instead.

## Fun things to do when you're not at Nursery (w/c: 06.07.20)

- Starting at '0', practise writing a number each day in the '**All About Numbers 0 to 10**' booklet.
- Make your own number booklet using pieces of paper or a notebook. Practise writing each number, then cut out the correct number of objects from old magazines. Stick them next to the numbers that you've written.
- Practise counting from 1 to 10 in different voices (eg, scary, happy, sleepy, loud, soft...). If that's too easy, try counting from 1 to 20.
- Join in with 'The Singing Walrus' counting songs on YouTube:  
1 to 10 <https://youtu.be/HkkYaj0m6cg>  
1 to 20 <https://youtu.be/D0Ajq682yrA>

Choose one of the Reception lessons to join in with each day. There's English, Maths and other subjects to try. They cover lots of the areas that we'd be teaching in Nursery.
