

Fun things to do when you're not at Nursery (w/c: 13.07.20)

Important things to do each day

- Get yourself dressed. Only ask an adult for help if you really get stuck and can't put something on by yourself. Can you get quicker each day?
- Brush your teeth twice a day; after your breakfast and before you go to bed.
- Count the number of steps in your house; when you come downstairs for breakfast each morning and when you go back upstairs to bed at night.
- Read a bedtime story with an adult or older brother/sister.
- Practise drawing lines and circles, or writing your name (You could use pens, pencils, chalk or water & a paintbrush on the doorstep).
- Practise singing the nursery rhymes on your Rhyme Challenge sheets.

Choose 2 more things to do each day from the list below.

- Listen to **Oi Dog!** by **Kes Gray & Jim Field (Books Alive!)** on YouTube: <https://youtu.be/8WzCjWk2mRw>
- Can you name all the different animals? Ask an adult or older brother or sister to help if you're not sure about some of the more unusual ones.
- Which is your favourite animal? Can you draw a picture of it?
- Can you work out which animal sits on something that doesn't rhyme with its name?
- **Rhyming words:** In this story, the frog decides to think of some different things for the animals to sit on, but they all still rhyme with their names. *Can you remember that words rhyme when their last sound is the same, like c-at and m-at.*
- Play a rhyming game with an adult or older brother or sister. Can you think of different words that rhyme (eg, p-ig, d-ig, b-ig, w-ig)? Ask them to say the words whilst you listen, then you repeat the words back to them.
- Play the '**Rhyming Odd One Out**' game again. It was added to the school website last week.

- Watch '**Come Outside – Frogs**' on YouTube https://youtu.be/lxISGf9_amA
- Use the template on the school website to make a split pin frog. Remember to snip slowly around its body and legs.
- Sing '**5 Little Speckled Frogs**'. You could use your fingers to be the frogs or make some frog stick puppets.
- Play the '1 more/1 less frog' game. If you can't print out the frogs, use some toy animals or even bottle tops, and a tray to put them on.

Let's go to the **DOUGH DISCO!**
