Measures: Mixed Measure Problems

In this lesson, you will be putting together all of the skills from the past 4 sessions to help identify key facts within word problems. You will take these key pieces of information, identify the problem and work out ways to calculate the answer. You will be looking at money, time and length problems and skillfully solving them!

Y4 HLP Summer Two Week 5 Day Four

I can make a story plan to show what happens at the beginning, middle and end of your story.

We are now thinking about the 'Book of Me' again! You need to create a 'main event' to happen in your story. This could be something as simple as visiting the park, getting some new shoes or playing a board game with your family. Think carefully about how the main character (you) might feel before, during and after the main event.

Add these notes to the plan: remember to 'show' through the character's speech and behaviour, rather than 'tell'.

An example has been done below for you. The main event that has been chosen has been a bike ride with dad.

BEFORE	DURING MAIN EVENT - Bike ride with dad	AFTER
"I am bored!" -Heads in hands -Wandering aimlessly around the house -Winding up brother -Avoiding doing home learning tasks	"Wahoo!" -Feet pedalling as fast as possible -Laughing whilst dad struggles to keep up -Kicking legs up in the air when going down a hill	"I think I need a lie down after that." -Spreading out on the sofa -Cuddling up to dad -Washing the dishes to thank dad -Finishing the home learning task

Spanish

I can describe the features of where I live in Spanish.

For today's Spanish lesson, you are going to be using The Oak National Academy. This is a brilliant online resource that uses activities as well as clips from real teachers to help you understand. Obviously, they're not as funny as your actual teachers but they will have to do for now.

To be able to describe what there is in your town or city in Spanish

In this lesson, we will recap our previous learning, then learn how to say different places in a town or city. For this lesson, you will need a pen and paper.
