Welcome Back Team Wibsey

I almost cannot express how thrilled I am to start to get school going again, all as part of the “new normal”. It has been an utter joy to see the children who are back happily settling into classes, and I look forward to welcoming everyone on Monday.

I have honestly shared our challenges and my thoughts with you all the way through this crisis and I will continue to do so. We saw this morning that it isn't going to be pleasant in winter when we have

children and staff waiting outside in the rain. We do not have enough entrances or staff to ferry children in individually or in small groups when it is raining and we need the gates to be open longer so that you can all get in safely. It is therefore vital that children have fully waterproof coats and shoes, and it would also be wise

for them to have an umbrella. If you were in this morning you will have seen I have provided staff with these.

I have to be blunt and say that this is how it is. We may have a cold and wet winter ahead. It is the price we are paying for getting everyone back in. The gates are open until 9am and until 3.45pm at the end of the day so see if coming slightly later works for you and keeps you safely distanced.

Team Wibsey—back together again

Lunches

Lunch is provided free for anyone on FSM, anyone in YR,1 & 2. It is purchasable by any other family via parent pay. Children can choose daily from Ham, Cheese, Tuna, Egg sandwiches with home-made confectionery, fruit

and a drink. Pizza day is back, where hot pizza and wedges will be served one day a week to alternate classes as an additional choice.

Y1 & 2 Monday

Y3 Tuesday

Y4 Wednesday

Y5 Thursday

Y6 Friday

This will be reviewed in 2 weeks, at which point the kitchen hope to offer a hot meal option everyday.
