

# Wibsey Primary News

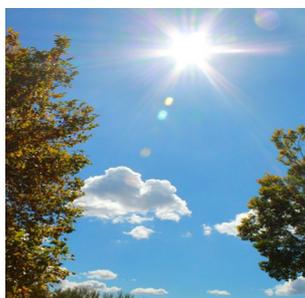

Issue 2

11th September 2020

Parking and car drop offs have been great around school this week. Thank you for keeping vehicles away from school where you possibly can. The one ask that I have is that you don't do three point turns to go back up/down/ along the roads.

Both school roads have exits at each end and adding a minute or two to your journey would add an extra layer of pupil safety.

## Weekly Catch Up

I was thankful, as I know many of you were, that we got a little break mid-week when the morning rain finally stopped and it was a little dryer getting into school. The forecast is a mixed bag for next week.

As a school we have listened to your feedback and we are trialling ways of

getting children in as fast as we can using some of our Associate Staff Team. I will also be writing to you about potentially being a DBS checked parent volunteer for an hour each morning to help us shuttle children in over winter.

I have to say that you have been stars this week and we couldn't have done it without you. Your patience, spacing and support has kept everyone safe and kept the staff going. I want to say thank you from us all.

### Great news

We congratulate Miss Shaw who managed to get married during the summer break and is now Mrs Davies. In these times of cancelled and postponed weddings it is lovely that the new Mr and Mrs Davies were able to tie the knot. Congratulations from all at Wibsey Primary.

The school Risk Assessment for our opening during the Covid Pandemic will be updated as guidance changes. You can find the dated copies on the website.

## Wibsey Primary—The Village School

### PE Kit

Great to see children in joggers and trainers for PE on this nippy morning. Remember not to buy anything special—but dark if possible and no logos.

### School wear

Rainy day advice remains a fully waterproof coat (maybe a plastic mac to go over the main coat?), waterproof shoes and an umbrella.

### Attendance

We have had great attendance this week with 97.3% across school. It's great to see your children in and already starting to catch up.

Have a great weekend
