Issue 3

18th September 2020

## Social Distancing

An ask of our parents is that you do your best to maintain social distancing whilst dropping off and collecting children. We are leaving gates open longer and it is much quieter from 3.35pm when collecting. Take care of each other. You've all been stars.

Have a lovely weekend

## Weekly Catch Up and Reminders

Having received some really useful feedback I write to just clarify or ask for a couple of things.

Firstly a reminder. As included on the Risk Assessment (available via the website) bubbles are composed of a child's Year Group and not individual class. As we are akin to the size of some secondary schools, this is the way we have to work to ensure we could reopen.

Secondly, please exit the playground after pick up either to the left or right as indicated on the gates. If you wish to double back it is easiest to cross North Road to the other pavement. Thanks for your help with this.

### Lunch Menu from 21st September

As previously reported, I have challenged the lunch providers to extend the range of food we can serve as the term moves on. Not being able to use the Hall as a Dining Room for all children has definitely caused us some challenges. For the next few weeks the children will have the following choices.

#### Everyday

Ham, Cheese, Egg or Tuna Sandwiches

Cheese or Cheese & Tuna Paninis

#### Monday Special

Beef Burger

#### Tuesday Special

Hot Dog

#### Wednesday Special

Chicken Burgers

#### Thursday Special

Pizza

#### Friday Special

Fish Butty

Jacket Potatoes will be served with a choice of cheese or tuna.

All the additional items included remain the same.

## Wibsey Primary—The Village School

I am incredibly grateful to those of you who have taken the time to message school or to have a word with me out on the street/playground to say how well you are finding the systems we have put in place, or letting us know that your

child feels happy and safe in school, all as we deal with this strange new world. It means a lot to me. As you know it hasn't been easy going—especially with our tricky building. I have made sure your comments are shared with the staff.

### Attendance

Please remember to ensure you let us know why your child is absent when you call/message. We know most are just minor colds so please keep us informed.
