

Wibsey Primary News

Reminder

School gates reopen from 8.30—9.00am on Monday 2nd November.

The current 30 minute opening time should be enough for no one to be late. Please note that late children will not automatically be admitted as they arrive. If you are late you will need to wait with your child on the path until a bubble adult is available to escort them to class. We can't mix bubbles and have people without appointments in the indoor entrance area.

Have a safe Half Term

Issue 8

22nd October 2020

Harvest

Thank you, thank you,
thank you for all your

generous donations to
our Harvest Appeal for
the Wyke Foodbank.

The picture above
gives you some idea of
the amount of food
and items collected
that were delivered to
the Foodbank after

school yesterday.
Please know that you
have made a great
difference to a number
of families within our
area.

Traditionally at this time
people would have been
thankful for a Harvest
that is gathered in to
feed them through the
long cold winter. In our
modern world we are
much more
disconnected from this
process—and luckily few
of us go hungry. As you
and I know though, this
is not the case for
everyone, and it is
through supporting the
foodbank that we

support our
community.
Please do take a look at
our brief Harvest
Assembly on the
Website. I thank you
once more and wish you
all a safe half term
holiday.

Wibsey Primary—The Village School

Parents/Carers Consultation Evenings

The booking system is
now live and you can
make an appointment
via the App. Please
make sure your phone
number is up to date.

Unwanted School Uniform

After half term we will
start to accept good
quality, washed school
uniform that is no
longer needed. We will
make arrangements for
this to be quarantined
and then rewashed. We

will as a school look at
how this is then
distributed as free items
out to families. I really
hope we are able to
reduce both waste and
costs. To drop items off,
please arrange a drop off
appointment by
telephoning the school
office.
