### Mathletics

Complete the activities set for you online. If you have no access to a computer/tablet/phone, please see your class teacher for a printed version.

### Were the Vikings victorious?

Over the holidays, we would like you to research who the Vikings were, what they did and why they are important in British history. You can present your findings in a variety of ways. (e.g. posters, powerpoint, models, fact books, poems, letters etc). We have attached an information sheet and questions to help you with this.

Remember	Understand	Apply	Analyse	Evaluate	Create
To find out the dates when the Vikings came to Britain.	To create a poster about the Vikings and their daily life.	To draw a typical Viking settlement and label the different features.	To find out why the Vikings decided to invade.	To research a famous Viking god such as Thor.	To create a 3D model of a Viking warrior/God of your choice.
