**Update from Mr Cooper – Friday 29<sup>th</sup> January 2021**

***Happy Friday Children***

*I have pushed George out of the picture this week and Dad's message can come second for a change. It's girl power time. Here I am taking over the laptop at home. As we go into the weekend I just want to say that we are thinking about the adults this week. Give your Mum, Dad or Carer at home a great big hug to make sure they are ok. Have a lovely weekend – I might let George come back next week.*

***The Mighty Mildred***

**Dear Parent/Carer**

I am thinking about the well-being of everyone this week as well. We have talked lots about our children but I would also like to stop and take a minute to think about how you are doing and also how my staff are doing as the adults. We are all sons, daughters, parents, carers, brothers and sisters and on. The ongoing pandemic and lockdown has affected everyone in some way or another and I hope you are getting the support you need. Please see the information leaflets we have put on the website signposting you to support for a whole range of worries. ***Please do not hesitate to contact school and the pastoral team if you need advice or support.*** We will update the holiday leaflet for Half Term shortly.

**Schools reopening** – I know it will have been hard for some of you to hear the news from the Prime Minister this week that schools would not reopen before the 8<sup>th</sup> March. As I have said previously, I take my hat off to all of you supporting your children through home learning and I will keep you updated as soon as we know what is happening at Wibsey. **School will be closed to everyone for the Half-term week beginning Monday 15<sup>th</sup> February.**

One key message I want to give out is that we respect your family time and commitments as well. Please do not beat yourselves up if you can't join some of the sessions, or get through the work. The most important thing is that you look after yourselves as well as your children. Take breaks from the screen and do other activities with your children where this feels right for you, for example baking.

**Nursery** – In line with guidelines we have taken the decision to move Nursery back into their own building. Ms Rolston has contacted families this week to check who will be attending. If you haven't spoken to her/heard from her, then please get in touch with her via the App. The drop off remains the same at 8.40am for mornings and 1.00pm for afternoons, pickups at 11.30am or 3.30pm. All day children will have lunch in the main school dining hall – they seem to be loving it.

**Home learners** – I managed to say hello on Y3's registrations this morning and popped into 2:1's. It was great to say hello to you all and to see the impressive Mathematics work going on in Y3. Keep up the hard work everybody and I hope to see a few more of you next week.

**For children in school: - the menu w/c Monday 1<sup>st</sup> February**
