

# Extended Project 'My Family' Week 1

Year 5 Home Learning  
Wibsey Primary School

# Day 1 – Music from the Past

Research music from other decades.

Talk with your parents, grandparents or other older family members and find out what the most popular bands/singers/songs were when they were younger.

Write the lyrics to the chorus of these songs in your exercise books.

Challenge yourself, can you perform one of these songs to your family? Going further, can you create a dance routine to these songs?
