

George and Mildred say—all the risk assessments and documents have been sent via App or are on the website—please read them.

School Re-opens  
8th March 2021

Gates open from 8.30am, and will be closed at 8.50am sharp.

Gates open for collection at 3.30pm to 3.50pm.

**One person only to drop off and pick up unless there is a very good reason**

I respectfully ask that non-Wibsey older children and other adults should wait away from the exit gates for the person accompanying children.

Let's aim for no late arrivals and no late fines.

*I am sure there will be some nerves this weekend—parents, carers, children and staff. Try to get some rest this weekend and we will all soon be back in our routines.*

*Nigel M. Cooper*

# Wibsey Primary News

Issue 16

5th March 2021

## Opening Update

All the information you need for a successful start on Monday is on the school reopening guide which we sent out on Wednesday. A copy of this can be found on the school website

[www.wibseyprimary.co.uk](http://www.wibseyprimary.co.uk)

One of the questions I have been asked a few times is why aren't teachers wearing masks outside. I have included a whole section on the guide.

explaining this for you to read through.

### Lateral Flow Tests

To help make and keep schools as safe as possible we are grateful that staff are involved in being tested twice a week using lateral flow testing. This is a huge help in the early identification of any symptom free cases and a big give from the staff as members of the Wibsey community doing their bit.

We have the 20 minute drop off and pick up time slots from Monday.

This is to give you enough time to get children in safely and for us to not miss teaching time. Your children will need their waterproof coats, shoes and preferably an umbrella on rainy days. I have given associate staff overtime to get children in as quickly as possible but being weather tight will help lots.

## Wibsey Primary—back together again

Bagels are back on the morning menu next week. These will be delivered to classes to smooth and speed up your journey around the school site during the morning drop off. Any child can choose to have one.

### Next weeks menu
