*I know from Monday it will be the first time many of you will be able to see family and friends, as the outdoor rule of 6 comes in. Lets hope the restrictions continue to ease.*

*Please stay safe and observe the remaining restrictions to help get us all back safely after Easter.*

**Happy Easter**

*Nigel M. Cooper*

**Headteacher Team**

## Happy Easter

Thank you and well done in making the last 3 weeks such a success in welcoming all our children back into school. We owe all the teachers and associate staff, kitchens and clean teams a big debt of gratitude in making the return run so smoothly. I appreciate you all.

For our families celebrating Easter I wish you a happy one from all of us at

Wibsey. In the absence of being able to hold a performance in school, Years 3 & 4 have prepared an Easter assembly which is available from today on the website <https://wibseyprimary.co.uk/easter-production-2021/>

*Please see the advice leaflet that has been sent out via the App today. This covers schemes to help with food over the holidays— as well as lots of signposts to support in many areas.*

**THERE IS NO HOLIDAY HOMEWORK THIS EASTER, AND NO LEARNING CHALLENGES HAVE BEEN SET. WE JUST HOPE THAT YOU ARE ABLE TO BE AS ACTIVE AS POSSIBLE, GET SOME OUTDOOR EXERCISE, LIMIT SCREEN TIME AND BE OUTDOORS IS ALL WE ASK OF YOU TO DO WITH YOUR CHILDREN. SOAK UP SPRING. HAVE FUN.**

## Wibsey Primary—keep on learning

Our commissioned Educational Psychologist, Dr Hayley Armstrong has produced some training videos for staff around Emotion Coaching. Emotion Coaching is a communication strategy which supports young people to self-regulate and manage their stress responses. She has also produced parent training

videos so that the strategies used in school can be replicated at home if required. These can be found

<https://www.youtube.com/playlist?list=PLcqsqz1J8ZGbcXcag-fKuSQobN6asDKH7>

School reopens at 8.30am on Monday 12th April. Gates close at 8.50am.

### Track and Trace

As per the App message sent out, please make a note of the reporting address should any of your children test positive for C19. Please follow the instructions carefully.
