Have a safe weekend.

Nigel M. Cooper

**Headteacher
Team Wibsey**

Summer Term

Welcome back to the Summer Term. This term our focus is on getting as much normality back into our routines as possible.

We may not be able to do some of the things or events in the same way as we have done previously but the big push on high quality learning through high quality teaching is at the front of what we will be doing, alongside making sure your children feel safe, happy and secure.

It's a work focused time for everyone—so expect those children's challenges, the highest of expectations—and we look forward to working with you on this.

Playground

A reminder to all parents and carers that only **one person** is to access the playground to drop off and pick up unless there is a very good reason and this has been agreed with the school. Older High School students should only be on site if they are collecting—otherwise they wait off site for you.

Please wait well away from the exit gates as it is becoming very crowded on the pavement outside school. Please move further away if you are trusting your children to come out alone.

A reminder—Y5&6 children can walk home alone if you choose and have informed school. Y5&6 can collect siblings on their way out from KS2 **but not** KS1 (Y1&2) as we feel they are too young. Teachers need to know about these arrangements.

Wibsey Primary—forging ahead

Whilst the temperatures have been chilly the sun has blessed us with fine weather this week. Children in Nursery have been making good use of the outdoor learning spaces. Here we have children in our

Builders Yard, getting hands on with construction

jobs. Lovely work Nursery.
