

Dear Parents / Carers,

Final half term

We have thoroughly enjoyed having full classes for the half term. We look forward to another successful half term of learning!

Our curriculum in June will be based around a new, exciting text but once again we are going to keep you in suspense and reveal this on the first week back! In English, we will focus on reading and writing whilst learning in a cross curricula manner. In addition to this, we have a range of exciting reading texts to share with the children so that we can cover a variety of reading skills. During maths lessons, we are focusing on measurement, shapes and statistics. In Science, we are focussing on the animals including humans, whilst in Computing we will create concept maps. History is the study of the Greeks. To support our full curriculum we will visit the Yorkshire Sculpture park and we hope the children enjoy this amazing experience!

PE days

Please ensure that your child continues to come to school in their PE kit on their designated days. Children can wear their Wibsey jumper, a white T- shirt, black shorts and trainers. If the weather is cold, the children can wear dark, plain jogging bottoms (not leggings) as PE will most likely take place outside. **To be clear, it is ok to wear PE kit to school on PE days so no changing takes place.**

Class 5.1: Monday

Class 5.2: Friday

Class 5.3: Friday

In addition to their class PE slot, children will have **additional** PE as part of the PPA provision.

Please see the table below for the additional days for your child during the first half term.

Summer 2	P.E
Wednesday 09.06.21	5:2
Wednesday 16.06.21	5:3
Wednesday 23.06.21	5:1
Wednesday 30.06.21	5:2
Wednesday 07.07.21	5:3

Reading

Please continue to encourage your child to read at home. We are aiming for every child to be reading for **at least 15 minutes a day**. We encourage Year 5 pupils to summarise what they have read each day and to record challenging words, along with definitions, in their reading journals. We wonder how many **reading journal activities** they will complete – altogether there are 20 activities to complete before the end of Year 5!

Thank you for your continued support.
Mrs Noble, Miss Bajwa and Mr Richards
