## Big Winners at Wibsey

A big well done to our "Big Raffle winners who have won the star prizes from this year's draw.

**Mohsin Sajad  
Adam Wilkinson  
Aadam Karim**

Children have been collecting tickets all year for impressive effort and great behaviour choices, fabulous work and more. Put simply, those who behave well all the time, put in lots of effort and contribute to school life get more tickets and have a greater chance of winning.

The winners will visit Halfords to choose a bike or scooter.

### Goodbye

Goodbye to all our Year 6 children who leave this week to start high school in September.

We wish you well in your new schools.

The end of year 6 production 'Wow! What a Year!' will be available on the school website on Friday along with our Leaver's Assembly where we will be recognizing pupils for outstanding personal achievement or making a significant contribution to the school.

Congratulations to everyone who has been recognized for an award.

### Summer holiday activities

Our website has lots of fun suggestions of things to do to fill the days of the summer break with your children.

## Looking forward to September

**Our revised COVID-19 risk assessment, which reflects the revised Government guidance for schools from September is now on the school website.**

**When we return we are no longer required to have bubbles— there will be no more staggered breaks, all children will be able to**

**eat in the canteen again and we will be able to hold school assemblies.**

**Arrival and collection arrangements for children are also changing. Please see the parents guide that will be sent via the APP on Friday and which is also on the website.**

**Policy Changes**  
Governors have recently approved changes to our PE policy.  
For health and safety reasons children should not wear earrings (including studs). These should be removed on the morning of the PE lesson or covered with tape for the lesson. The revised policy is on our website.
