Wibsey Primary News

Issue 1

10th September 2021

Welcome Back!

It was wonderful to welcome back 'Team Wibsey' on Monday for the start of the new school year.

With restrictions for schools easing it has been an utter joy to see children settling back into class being able to sit in groups rather than rows, playing out at break time as a school and being able to eat in the canteen together.

Of course, these changes have not been without their challenges. I think we have all forgotten how busy the playground gets at drop off and pick up times. Please keep behind the

cones, remember your distancing and leave the yard once your children have been dropped off or collected.

The safety of your children is paramount to us, which is why the teachers dismiss children individually to parents. We do appreciate this takes some time but this is something we will not compromise on. As teachers get to know you, this process will speed up.

Please help us keep your children safe by not shouting over for them to go to you - the teachers are looking out for you.

School Photographs

Tempest will be in school for individual photographs on September 21st.

This year we are unable to offer family photographs due to the limited hall space.

Before and After School Clubs

Our wrap-around school clubs are now fully open. Breakfast club starts at 7:45am and tea time club runs till 6pm. Both clubs are competitively priced.

Please book via Parent Pay.

Gone Fishing!

A number of children went fishing this week. For most this was a new experience which they thoroughly enjoyed.

The children caught a variety of fish. They measured and weighed them - and then put them back in the lake.

As well as developing their measuring skills children were learning

to work together as team—and patience as they waited for the fish to bite!
