Issue 2

17th September 2021

A visit to Malham

Last week a group of Year 5 children went on an overnight stay to Malham. For many of them this was their first overnight stay away from home.

The two days were full of other exciting firsts such as holding and feeding chickens, watching the sheep dogs herd the sheep and feeding the calves.

The children visited Malham Cove. They climbed 400 steps for an amazing view from the top and went stream dipping to identify different aquatic insects.

We are very proud of the children who approached activities with enthusiasm and overcame some fears.

Thank you to the staff who gave their free time to take the children on this overnight visit.

Attendance

Last week's school attendance was 97%.

Well done to 3:1 and 5:3 who both had 100% attendance!

School Photographs

Tempest will be taking school photographs on Tuesday 21st September. Children who have PE that day should come in school uniform and bring their PE kit to change into.

5:2 are visiting Haworth but we will make sure their photographs are taken before they leave.

Keeping School Safe

To keep your children safe school is taking measures that go beyond the government COVID-19 advice to schools.

If your child displays any symptoms of COVID-19 then they must not attend school and should take a PCR test.

School is following LEA guidance - if someone in

your household has COVID-19, any children who are not displaying symptoms should attend school as normal. This is because children have missed too much school already.

The LEA guidance is available on the school website, this was also sent out via the APP on return to school.

Wibsey - a gardening school!

We are collecting 'Grow Tokens' from Morrisons to get gardening equipment for the children to use in school. If you shop at Morrisons please collect your tokens and donate them to the school.
Thank you
