Monday 27<sup>th</sup> September 2021

**National Coal Mining Museum Visit**

Dear Parent/Carer,

As an integral part of Year 5's work in Geography, it is planned to take the children to visit the National Coal Mining Museum on the following dates:

**Friday 15<sup>th</sup> October 2021 – 5.3 (Mr Richards' class)**  
**Wednesday 20<sup>th</sup> October 2021 – 5.2 (Mr Hudson's class)**  
**Friday 22<sup>nd</sup> October 2021 – 5.1 (Mrs Noble's class)**

The visit will provide an opportunity to study first-hand how coal was mined, its uses and how it has impacted the lives of the workers and the landscape around the colliery. During our visit, we will take a guided underground tour of the coal face, participate in a pit village workshop as well as visiting the museum.

On the day of their visit, we ask that your child attends school for the slightly earlier time of **08:30**. This will provide us with ample time to fully explore the centre. We shall return before the usual end of the school day at 15:30, therefore no alternative arrangements for the collection of your child need to be made.

Your child should attend in uniform, bring a warm, waterproof coat and have appropriate shoes on (trainers/pumps rather than school shoes). Your child will need to bring a packed lunch and a drink in a carrier bag so it can be disposed of on site (no glass bottles please). If your child is entitled to a free school meal, this will be provided by school. No sports drinks, sweets, money or cameras should be brought.

There is **no charge for this visit** as transport, insurance and admission to the centre has been covered by the school.

In order to confirm the booking and finalise arrangements, please complete the attached slip and return it via the app by **Friday 8th October**.

With thanks for your continued support,

Mr A Richards  
Year 5 Class Teacher
