Issue 26

8th April 2022

Happy Easter

As we reach the end of this term I want to thank you all for the on-going support you give to your children in doing well at school. Contrary to the picture that is being painted about the pandemic being over, we are seeing high numbers of staff off - which causes significant disruption. The whole team here at Wibsey have been so flexible in

keeping classes covered and it is due to them we have had to do no closures.

We are continuing to forge ahead next term, opening up the opportunities we have missed for the past 2 years. And giving your children a rounded school experience.

The Easter production from Y3&4 was so emotional, and so beautifully done. You wouldn't think these were children

who hadn't sung together in such a long time. Seeing parents and carers in attendance, able to join in with us was a pure joy.

We say goodbye today to Mr Dunderdale as he moves on to his Deputy Headship, and wish him all the best for the future. We also say good bye and good luck to Miss Ryder and Miss Afzal.

Our brilliant Foundation Stage playground will be opening on the 29th April. We will be training staff on it's use and then taking groups of children from Reception in to play and get

used to the equipment. When we are up and running we will be offering half hour stay and play sessions for parents/carers to take their own children in for half an hour on some

days after school. This will give you chance to access the best playground in the area. More details of how to register for this will be out in the new term.
