Road Safety

Your children have been working to set out their views on road safety around school. Part of this was a competition to produce posters, where winning entries are going to be transformed into a banner that will be displayed on the fence outside school. Your children feel very strongly about this—please support them.

The poster competition winners are :-

Cove Mairs - 5.1

Iman Ali - 4.2

Georgina Woodrow - 2.3

Ava Wright - 2.3

Well done to these children and I look forward to seeing the banners outside school.

As of Monday we have 6 weeks left of the school year. We have lots planned, lots of learning visits and activities in school as well as transition to new classes in the middle of July. Be here everyday not to miss out.

Today your child will have brought home a letter and reply slip consulting you on options for PE uniform (check those book bags). Please can you

return these to school by next Friday at the latest. You only need to return one per family. I will then take forward your thoughts to the Governing Board for discussion.

A final thank you for taking part in our joyous Platinum Jubilee celebrations. It was great to see the Queen's portraits and scarecrows appear during the holidays and we loved our performances outside on the last day.
