We have been asked to share a consultation around the use of the former school playing fields. Please feel free to come to the event or use the contact details in the message below from Bradford Council should you want to contribute.

Governors at the School are supportive of this on the basis that community use for sport is important for our area and that the site remains playing fields.

The schools agreement has been clear that it is on the understanding that the lease specifies that Wibsey Primary have access when needed in the daytime.

"The former playing field on Northfield Road has been used by Wibsey Rugby Club for a number of years and it is now proposed to grant a lease to the rugby club so they can improve the site.

Wibsey Primary School are to be able to continue to use the playing fields during term time school hours.

Comments are requested upon the proposal these can be made by email to:

nigel.gillatt2@bradford.gov.uk

or in writing to Nigel Gillatt, Strategic Asset Management, 1st Floor Argus Chambers, Britannia House, Bradford BD11HX.

Nigel and representatives of the club will be available in the top hall at the school on 13th July between 3:30

p.m. and 6.30 p.m. to explain the proposals and written comments can be made.

Alternatively if you require further details please phone 01274 434224."

Go ahead and have your say.
