## Year 2 Fieldwork

Year 2 have been on fieldwork visits to Nell Bank this week. These have been an integral part of the children's work in science, and are part of the work pupils will be doing back in school.

Year 2 have had to use their senses to explore a variety of habitats. They have had the opportunity to learn first hand how animals use their senses to find food,

water and shelter to survive in the wild.

All children took part in a habitat trail, minibeast hunt and pond dipping. Here are some pictures from the week.

**Congratulations to Miss Greenwood who moves on to her new post next week. Good luck from all at Wibsey.**

## Wibsey—the Village School

A polite reminder about headlice. Please check your child regularly, treat if needed and keep long hair tied back. Contact school if you would like further advice.

We say good bye this week to Pat, our fantastic Chef Manager from the kitchen. Pat took over when we were left in the lurch and has worked her socks off to ensure your children get a great lunchtime offer. Most of your children will have met Pat over the past few years and I am sure you will join me in wishing her a wonderful retirement.
