## News and Views

### School Lunches

From the 31st of October FM, our Bradford Council school meals provider, have informed us they are having to raise their daily prices by 5p. This takes a school lunch from £1.95 to £2.00.

I am satisfied through my conversations with them that they have looked really carefully at their costs and am reassured that they have worked hard getting the best deals they can from

suppliers and contractors they work with.

As well as facing increased food prices (we will have all noticed through our own food shopping) they are facing

increased staffing costs. This is something that I am having to build in with our wider school staff.

No price increases are welcome but I believe that at £2.00 the school lunch still represents good value for money for you as families.

The children have been working really hard preparing for their best singing voices for the Harvest Assembly.

The collection continues on Monday and Tuesday next week.

Please check your App messages for the link to the letter about the Uniform Shop (operating Saturday 22nd October). Any preloved uniform donations will be gratefully received via the School Office. Thank you.

We would also like to say a big thank you to Miss Ashfaq for all her help and support with the children at Wibsey. Good luck in your new post from all at Wibsey.

## Year 4 Rivers Fieldtrip

Continuing our exciting out of school fieldwork, Year 4 went out working at various locations in the Dales on river flow.

This was another no contribution trip funded by school using the minibuses.
