Half-Term Break & Harvest

As we break for the half term it's a good time to reflect on how the first 7 weeks of a "normal" school year have gone. Having whole school assemblies, clubs, field trips and visitors into school has felt like we are getting back to our old selves.

We are entering the winter period now and we know that the coughs, colds and bugs can strike. To help control this can you please ensure that children come in an

appropriate coat to school, and in suitable footwear.

The brollies children came with during the one way system were great at keeping everyone dry so please feel free to continue this.

Your children did an amazing job at our Harvest Assemblies. Their singing is right back where it was and we had Rev Lyn in tears. A big thank you from all at Wyke Foodbank who will be putting your generous

donations to good use right away.

We welcome back Mrs Choudhery from her maternity leave. She will be taking up her job share with Miss Bajwa, who has also returned from maternity leave and together they look forward to an exciting adventure with 4:2.

Year 5 Geography Fieldtrip

Completing our half terms worth of fieldwork visits we had Y5 out at Ogden water this week. They were assessing the pros and cons of renewable energy up at the wind farm.
