

LET US ALL JOIN HANDS TOGETHER

VERSE 1

Let us all join hands together,
All around the world,
In every tribe and every nation,
Let this banner be unfurled.
Peace on earth, goodwill to all men.
Is the message that we bring.
As in unity we lift our voices as one.

VERSE 2

At this season we remember,
The gift of God's own Son.
A small baby in a manger,
Has brought hope to everyone,
So lift up your hearts together,
And let the world sing as one.
Merry Christmas to all the world.

CHORUS

Merry Christmas everyone,
Every nation tribe and tongue.
Peace on earth and goodwill to all men.
Merry Christmas to everyone.

VERSE 2

CHORUS

Merry Christmas to everyone. (x2)
