Holiday Plans

The school Holiday Schedule for the academic year 2023—2024 is available on the school website.

One of the key breaks to remember if you book a break is the extended Spring Bank. This runs from school closing on *Friday 24th May right up to reopening on Monday 10th June*.

This is the break where you should be able to find cheaper holidays, as many schools

are open. Savings can be made by booking the Wednesday to Wednesday or any other less usual pattern, avoiding the expensive Saturday, Sunday and sometime Monday departures.

Families have saved up to £1000 by doing this in the

past. This also means your child misses no days of education and avoids the fines for unauthorised leave of absence. We hope this helps.

Year 6 have welcomed in Maths Explorer workshops today. The children have had the opportunity to problem solve and work collaboratively.

closes next

February for
the Half
Term break.**

Parent Governor Vacancy

We have a vacancy for a Parent on the school's Governing Board. This important role would see the person take part in discussions about the work and direction of the school, and is an important way of ensuring a wide range of perspectives are taken into account. Look out for the nomination forms after the Half-term break.
