News and Views

I have listened to your feedback about the punctuality of classes getting out for dismissal at the end of the day. I have spoken with all staff about making this as swift as possible.

Whilst not excusing matters I would just offer up the 3 things that tend to cause delay. The cloakroom and exit points are difficult as we are an old school. We are trying for some extra doors in the 4,5&6 cloakroom

Well done

(270 children) but it makes it hard. I have also said that staff have to—no exceptions—consider safeguarding when handing children over. This may lead to delays but absolutely in the best interests of all, and finally I expect children to leave in an orderly way. If children are not ready they will be held back. Having said all this it should be the exception and not an everyday experience for you.

I hope your children have been talking about some of the traditional play equipment that has been in the playground this week. It has been lovely to see children embracing, for example, skipping games that have been popular in schools since time began.

**Look out for
Tuesdays class
closure strikes App
message.**

Our children's online safety is a constant concern for our community—all of you and the school. We have been lucky enough to be able to hold some workshops not only for our children, but for parents & carers too.

I would urge you to attend where possible—an App message is coming out with the details—as well as your accessing of our guidance on the school website.

Technology is changing at such a rapid pace it's essential we all keep on top of this.
