## Creative Art Days

Year groups across school have been working with our resident artist, Tony, on their art curriculum areas.

The staff have picked up loads of helpful hints and tips as well. The latest group were our Y2 children on Monday and you can see some of

their processes and product in these pictures.

### Working together

It was lovely to catch up with so many of you at this week's parent/carer consultations. It was also great to hear about your children's successes—and also the steps they were going to be taking to improve further. If you didn't manage to make the evening teachers will be calling you for you to pop in and pick up your child's mid-year report. 2-1, 4-3 and 5-3 still have slots open for booking online.

**Last day of term—Friday 31st. Reopen Monday 17th April**

The school's meal provider—FM—is increasing the cost of a school lunch to £2.10 after the Easter holiday.

I think we have all seen how costs have risen. In our own food shopping and I have looked at the figures and think they are offering

the best value for money they can. Gemma—our Chef Manager has worked brilliantly on the food offer and service and I have to say the quality is really good when I test meals out. Gemma is always happy to speak with you about any dietary requirements.

**This weeks attendance  
award winners are  
class 3.1**

**With 98.9%**

**Well done—and keep  
up the good work.**
