## OfStEd 2023

As you will all be aware we had an OfStEd inspection on the 25th and 26th April. We were informed the day before and welcomed His Majesty's Inspectors in to evaluate the work we do.

I am delighted that I am now able to tell you that we remain a "Good" school. This means that the school has now carried the Good rating for the last 11 years and for 3 successive inspections.

Whilst we are very clear as a school that OfStEd is by no means the be all and end all, and it just captures a snapshot of the school in time, it is very important for you as parents and carers to have it confirmed for you that your children attend a good school.

We will be organising a surprise treat for your children in the next couple of weeks as a thank you to them for all their hard work—and I am sure you will join with me in thanking our

wonderful team here at Wibsey who work so hard day in and day out.

With you as part of our successful community partnership I look forward to the continued success of Wibsey Primary. The report will shortly be published on the OfStEd website and it will be placed on our website for you to read.

Tea time Care Club is closed on the 6th July and Judo club will not be running.
