Transition

Following on from our transition morning on Wednesday you and your children will all know which classes they are in for September. To aid this change further children will be working in new classes from Monday—returning to old classes on Thursday 20th July.

We have some classes that will have teachers new to the school from September and so

whilst these children may not have the teacher, they will be in the class group so that they can start to work with their new classmates.

On some days the new teachers will be joining us so your children will be able to tell you all about them.

We do have some VERY IMPORTANT organisational things to have in mind for this Monday coming.

One is that children CURRENTLY in Y6 will need to report to the Foundation Site across from main school, and CURRENT Reception children will come into the Top Playground on the main school site and line up in the coned area outside the Y1 entrance. Staff will be available to direct you.

New year group 2 will line up outside the conservatory.

News and Views

Wibsey Promenade Week

I am beyond delighted with the way your children have performed in the school's musical Proms this week. Thankfully the weather held and many of you were able to come in and enjoy the spectacular way your children played and sang. I hope to do more of this.

Uniform

I will send out reminders re uniform for September in the next week. Please note we will focus on non branded, value items.
