## Healthy lifestyles

It has been lovely to see your children working with our healthy lifestyle partners on a range of topics this week, including managing their emotions and feelings.

I popped into a Y6 session where the children were talking and

contributing very confidently. Your children are a credit.

The traffic wardens have been out this week and expressed concern at some of the driving as well as parking around school. Please take every action thinking of children's safety.

### Playground Supervision

Please ensure that your children are appropriately supervised before and after the school day.

The use of play equipment—with yourselves supervising is encouraged at your own risk.

Misuse of the equipment—will mean we have to ask some parents/carers to keep children off it.

## Wibsey Primary—*The Heart of the Community*

### School Photographs

Tempest, our school portrait photographers, are in on Tuesday next week to take your children's individual photos.

Please can you send your children in full

school uniform on the day *even if is a PE Day.*

We have once again arranged for Tempest to take group/family photos for you after school. You should have returned your slip and

will have then received confirmation of a 20 minute slot. All the straight after school slots are now full so please check your reply from school carefully.
