Harvest Collection

Harvest

We often have a picture in our heads about Harvest, the produce being gathered, the preparations for winter, an image similar to the one above.

We know so much has changed, with lots of our food coming from elsewhere around the world, and it seems that the seasonality of food has disappeared where we can have strawberries and salad in the middle of winter.

As a school your children learn all of this over their time with us. They will learn about the provenance of food and the impacts of farming and transporting. Where we stick to traditional Harvest celebrations is

when we also come together to give thanks for the food that we have daily and where we think of those in our community who may struggle. To do our bit we will continue our support for Wyke Foodbank through our Harvest collection this year. A list will be coming out and we will be organising collection days. Please look out for these, and if you feel able to, with no pressure or expectations attached, then we would be very grateful.

Wibsey Primary – The Heart of the Community

Art at Wibsey

Year 5 had an Art Day this week. With an artist working alongside them, the children designed and created a piece linked to deforestation and recycling. Some excellent pieces of art were produced!
