

6<sup>th</sup> September 2023

Dear Parent/Carers

Under the current [National Curriculum](#), children are expected to know their times tables by the end of [Year 4](#), and in preparation for the Multiplication Check which they undertake Summer term in Year 4.

They are expected to know these up to 12 x 12. The Multiplication Check covers all tables to 12 x 12 in a mixed order.

It is vital your child is practising their tables up to 12 x 12 at home regularly as well as what we are providing them with in school.

The purpose of this letter is to inform you that **we will be hosting a parent workshop on Tuesday 10<sup>th</sup> October to discuss this, share resources that we use in school that are useful and can be used at home as well as giving you the opportunity to ask any questions you may need to ask.**

Best Wishes

Miss Patterson, Miss Nazir, Miss Ishtiaq

**I will be attending the Parent Workshop on Tuesday 10<sup>th</sup> October 2023**
