

Dear Parent/Carer,

During this half term in our History lessons we will be looking at Sir Titus Salt and the changes he made to Bradford's Mill industry. We are delighted that we are able to take your child on a school visit to Saltaire. The visit will provide the children with an opportunity to see the industrial past within our locality and compare how people lived and worked in the past to how we live and work now. The class will also have the opportunity to view some of David Hockney's work, an artist we will be studying in school in our Art lessons this half term.

Saltaire was designated a World Heritage site by UNESCO in 2001 and our visit will involve walking around Saltaire to identify and explore the historical features related to Titus Salt. It will also be an opportunity for children to develop Geography fieldwork skills

**There will be no charge for this visit** as the transport and insurance costs are met by the school. The visit will be within school times so no alternative arrangements will need to be made.

On the day of the visit, your child will need to bring a packed lunch and a drink in a carrier bag so it can be disposed of on site (no glass bottles, fizzy or sports drinks please). If your child is entitled to a free school meal, this will be provided by school (please supply your own drink). The children should wear school uniform. Please be mindful of the weather and ensure that your child comes to school appropriately dressed, e.g coat and enclosed shoes suitable for walking. Please note that no sweets, money or cameras should be brought on the trip.

In order to confirm and finalise arrangements, please complete the attached slip and return it via the app no later than **Monday 20<sup>th</sup> November 2023**

The class visits will take place on:

- **4.2 – Wednesday 22<sup>nd</sup> November**
- **4.3 – Thursday 23<sup>rd</sup> November**
- **4.1 Friday 24<sup>th</sup> November**

With thanks for your continued support,

Miss Patterso, Miss Nazir, Miss Ishtiaq
