Issue 7

3rd November 2023

Welcome back

We are well into the build up to winter as we enter November and I would, as always, ask that your children always come in school shoes that are waterproof and a waterproof coat. If it is light drizzle children will still be able to play outside and get the fresh air and break that they need.

50 Things

Miss Waugh has been working on our "50 things" project' which encourages and rewards our children

for taking part in simple and free/cheap activities both in and out of school.

You have received some information and there is lots more available on the website. Here are a couple of pictures from today.

Poppies will be available all next week. We suggest a minimum donation of 50p. These will be handed out to the children on Friday 10th November to wear for the Remembrance Assembly.

Wibsey Primary—The Heart of the Community

Children in need will be relatively low key this year as it coincides with our anti-bullying odd socks day. As well

as wearing odd socks we are selling badges and wrist bands that are available from the office. Please make payments via ParentPay, these cost £1.00 each.

A final reminder that FM, the meals provider, have raised the price of a school lunch to £2.20 from the start of this week. This continues to be paid via ParentPay.
