Anti Bullying Week

This week has been anti-bullying week in school. We have seen year groups taking part in a range of age appropriate activities exploring the theme and how we as a school community deem it unacceptable, but also what to do about it.

Bullying is very different from falling out or having one or two incidents with another child. Bullying is the persistent, on-going targeting of/by

one or more children and is not necessarily physical. We sometimes use the word too easily, but must always work together to explore and address these concerns.

The focus week at Wibsey ended today with children

encouraged to wear odd socks—highlighting that we are our unique selves.

It is always worth chatting with your children about who they would turn to or

tell in school if they have worries.

Nursery Park Visits

It is always lovely to get our children out of school and experiencing fieldwork in the community and beyond. This week our very youngest children have been going in groups and exploring Wibsey Park. The picture above illustrates just how well these visits develop children socially as well as academically.

Wibsey Primary—The Village School

Christmas Dates

The Christmas calendar came out to you via the App system this week and is on the back of this newsletter. You will receive further information from

your child's class or year group and please be aware that some events are limited to 2 tickets so that we can get everyone in. I look forward to seeing you .

Children in Need

We have been raising money for Children in Need all this week through the selling of pin badges and bands. Thank you to all who contributed.
