**Nigel M.  
Cooper**

**Headteacher**

Much as it pains me to say in in November, Christmas starts in earnest at Wibsey Primary School from next week. We have so

much to fit in to the relatively short time we have until we close on the 15th December. Our Christmas trees and decorations will be going up on

Wednesday and we kick off with our Christmas fair on Thursday 30th. This will be the first fair since Covid shut us down so I hope you all enjoy it.

**Please don't forget that school closes to children from 2.30pm—all children should be collected promptly at this time except for children booked into Care Club**

The doors will open to the Fair at 2.45pm when all our children have been safely collected. Further details about entrances, exits and Care Club will come

out early next week.

We look forward to welcoming you to take part in and enjoy the Tombola (Bottle, General and Chocolate) as well as gift stalls the raffle, racing pigs, pop the bauble and hook a bag amongst other things.

**To ensure everyone has a good, safe time please, please remember:-**

**Thursday 30th (next week)**

**School closes early—2.30pm**

**All children MUST be collected at this time.**

## Wibsey Primary— A Community School

Our Y4 children have had a great time visiting Saltaire this week. Classes across the Year Group have gone across the days.

They have been learning about Sir Titus Salt but also about the people who worked for him—and what life was like on the outskirts of Victorian Bradford. The Mill is well worth taking your children to as you can tour the Hockney Gallery for free and see some amazing works of art.

*Saltire picture here please*
