## Merry Christmas from all at Wibsey

One of the things that makes Wibsey special as a Community School is the way in which we celebrate occasions across all of our children's lives. These reflect the range of children's back grounds and are in line with the expectation on us that we are educating our children as well rounded citizens who are well versed in British values and ready for life in modern Britain.

If you do us the honour of sending your child to Wibsey Primary School then we are delighted that you have made the choice to be part of this special school. I hope you have enjoyed some of the events that have taken place over 2023, including our celebratory Eid and St. George's lunches,

our King's Coronation events and musical proms to name a few.

2023 has finished with our end of term Christmas events, most recently our parties and Carols around the tree. It was joyful to see so many of you enjoy your children's efforts and we wish you all a Merry Christmas and a Happy new year.

### Wibsey Primary— The Village School

I hope you enjoy this Christmas break, but as a school we are acutely aware that it is not a time of joy for everyone, and that it can be a time of hardship and worry. You will find information on our website of sources of support and I would encourage you to seek help if needed. You will be delighted to know that we raised a fantastic £358.63 for the foodbank via our collections of your kind donations at events. They are very grateful and will put this to immediate good use.
