# Wibsey Primary News

Issue 14

5th January 2024

## Happy New Year

We welcome all our children and families back to 2024 at Wibsey Primary School for the new term. We understand and are sensitive to the fact that not all children have had a great Christmas, for whatever reason, so please do be in touch with your child's class teacher if you need an extra special eye keeping on them.

Whilst for some reason this is known as the Spring Term, we all know we often get the

hardest parts of winter over the next couple of months. In the event of any changes to the school day this will be communicated to you via App message. It is therefore very important that your contact details are up to date with the School Office. Please call in to see the office staff if you need to update any contact numbers or addresses.

#### Fieldtrips (Visits)

This term will see more children out and about

conducting fieldwork to support learning back in school.

As in previous terms these will be subsidised by the school as far as we possibly can. This will include all minibuss costs being met directly out of the school budget. Admission/expenses for at least some of your child's field trips, where venues charge, have either been covered or are being covered straight from school funds. We will still need to ask for contributions to enable some trips to take place but will keep these to a minimum.

## Wibsey Primary— The Village School

#### Uniform

I encourage all families to remind themselves of our uniform policy. It gives clear guidance on footwear, clothing and other items. The policy is aimed at

keeping costs low, promoting equality and being fair to all. Governors will be revisiting this during the year.

New Year—old request from other parents.

Parents frequently ask that everyone is reminded to please do regular head/hair checks for head lice. This is an on-going issue that requires everyone working together. I thank you on their behalf.
