Year 2 Fieldwork

As part of their field work, getting out and about to bring learning to life, Year 2 have been visiting Bolling Hall this week.

They were involved in special workshops, fact finding about the Great Fire of London,

as part of their history topic, all in this historic setting.

The children also worked towards producing a collage linked to their art curriculum.

We are really lucky to have places like Bolling Hall on our doorstep and it is important and enlightening for our children to experience as much as possible via these fieldwork visits.

Thank you to the staff for organizing these opportunities and the children for being a credit to the school.

Wibsey Primary— The Village School

Thank you to those of you who took your children along to take part in the Wibsey lights switch on before the holidays. The village association have sent a letter of thanks and complimented the children's performances. Well done all.

Parent Governors

Nominations will open next week to fill our Parent Governor vacancies. This important role in the life of our

School is to work alongside other Governors and the Leadership Team to help set the vision and direction of the school for the coming years.
