Winter Weather

Clothing and Footwear

With the start of the
winter weather (*it's a
warmer forecast next
week but we are
bound to suffer again*)

I thought it was a good
time for us to check in
in relation to clothing.

Your children will be
playing outside in
often colder
temperatures, and
they will be out in the
snow if it is safe to do
so. It is a great and
exciting part of
childhood and we all

know that children
need the break from
learning in class,
where it is stuffy and
warm, and where
germs can build up in
warm rooms. You will

also know that
common colds are not
caught by being out in
crisp, fresh air.

To ensure our pupils
have a great time,
please make sure that
they come prepared
with footwear that is
waterproof and a nice,
warm coat.

Clearly when it is
really wet or icy we
will keep children in.

Thank you.

Wibsey Primary— The Village School

School Start Times

We have had some
children turning up
to school on their
own really early.
Children should not
be unsupervised in
the playground from

times as early as
8.20am. 8.45am is a
good time to get
here—and there are
more people around
on these dark
mornings.

Year 5 had a wonderful
time in York this week on
their fieldtrip to Jorvik. It
brought learning to life
for them—and they were
able to handle artefacts
and see objects that they
would never have the
chance to experience in
school.
